

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL MEMORANDUM**

**HB 458 – SB 513**

February 1, 2016

**SUMMARY OF ORIGINAL BILL:** Encourages non-resident students at Tennessee public colleges and universities to receive immunization against meningococcal disease. Non-resident students shall not be required to show proof of immunization for admission.

**FISCAL IMPACT OF ORIGINAL BILL:**

NOT SIGNIFICANT

**SUMMARY OF AMENDMENT (011711):** Deletes all language after the enacting clause. Requires new students who will live in on-campus housing at any public higher education institution to show proof of immunization against measles, mumps, and rubella (MMR) and varicella, in addition to meningococcal disease. Sets forth methods by which immunization against MMR and varicella may be proven by such students in lieu of a blood test showing immunity or documentation of vaccination. Encourages, but does not require, non-resident students to receive all such immunizations before being enrolled.

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Unchanged from the original fiscal note.**

Assumptions for the bill as amended:

- Vaccine records or documentation in lieu of proof of immunity for MMR and varicella will be collected by Tennessee Board of Regents and University of Tennessee member institutions through the current registration process.
- Any increase in state expenditures to collect and store additional records is estimated to be not significant.

**HB 458 – SB 513**

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in dark ink that reads "Krista M. Lee". The signature is written in a cursive, flowing style.
